From the late 1800's into the 1900's, Britain led the way in bathroom design and performance. Our time honoured Burlington and Arcade bathrooms bring a complete collection of traditional products all with modern functionality. These ranges allow you to create a traditional bathroom that can reflect the historical eras of great design across Edwardian, Victorian, Classic, Contemporary or Arcade's unique Belle Époque style.

The latest technology is utilised throughout the Burlington and Arcade product ranges to bring important benefits such as stay-clean Nano glaze coating on all WC bowls, ceramic disc options on all brassware and all showers with safe thermostatic operation including digital control.

Our extensive portfolio is designed to solve all your design challenges with a vast range of models that will suit every plumbing installation. Bathroom furniture, that provides many storage solutions, can complete the look you want and is available in four finishes. See the Technical Directory which starts on page 50 for the complete choice. Whatever you choose you can be sure Burlington and Arcade products will work perfectly together.

Your bathroom space should be one in which you feel completely at home, a space that reflects your unique personality and individual tastes. It's a space for rejuvenation, pampering, relaxation as well as an environment for the necessities of a daily routine.

You may already have an idea of the style of bathroom you're looking to create or you may need further guidance to help you configure your ideal traditional bathroom. The following pages in this brochure have been designed to help inspire with some of our suggested product pairings. Or you may spot something you can mix and match with product on subsequent pages. However you configure your beautifully traditional bathroom, we're sure you'll find just what you're looking for from Burlington and Arcade bathrooms.

Edwardian 1200mm basin with washstand and Claremont three tap hole basin mixer with pop-up waste.

CLASSIC INVISIBLE OVERFLOW BASIN

Our products are faithful reproductions of historical designs. This Classic basin is based on a model called Cliffe Vale produced in 1896 and described at the time as “a basin with improved waste and overflow”. It’s unique waste means there is no requirement for a plug or external waste. Simply pull the lever up to drain water.

Classic basin with invisible overflow, classic pedestal and Claremont two tap hole 5" basin taps. Tumbler holder and towel ring.

Our furniture is a beautiful representation of traditional design available in 4 classic yet contemporary colours perfect for the modern day bathroom; Matt White, Sand, Dark Olive or the NEW Classic Grey. Seamlessly carry through your colour selection to bath surrounds and WC seats for a consistent look.

AVAILABLE FURNITURE COLOURS

Above: Classic 510mm basin, Free-standing Matt White cloakroom vanity unit with single door and Chelsea straight basin mixer with pop-up waste.

Classic Grey 1340mm Curved free-standing vanity unit, Carrara White worktop and Kensington regent three tap hole basin mixer with pop up waste. Arched mirror and ornate lights with vase shades.

CREATE A STUNNING STATEMENT IN BLACK

For added flair, select the brassware with Black ceramic levers and indices. There are coordinating Black products available across toilet seats, aluminium washstands, high level cisterns, radiators, mirrors and bath feet to create a dramatic bathroom statement.

Carrara marble basin, Black aluminium washstand with shelf, Kensington Black three tap hole basin mixer, Black aluminium mirror, towel ring and round lights with chiffon shades. Standard high level WC with soft-close Matt Black seat, dual flush Black aluminium cistern and spire toilet roll holder. Bateau bath with claw Black feet.

Bateau bath with claw Black feet and Kensington Black bath shower mixer on stand pipes.

High level Black aluminium cistern.

THE WALNUT COLLECTION

For a premium option, select the Walnut trim for your Kensington taps, cistern lever or bath shower mixer. There are coordinating solid Walnut products available across toilet seats, brassware and accessories, to add the finishing touches to your traditional bathroom.

Left: Classic 650 rectangular basin with Kensington Walnut three tap hole basin mixer. **Top Right:** Tumbler holder with Walnut back plate. **Lower Right:** Edwardian 515 rectangular cloakroom basin with Kensington Walnut 3" taps

THE EDWARDIAN COLLECTION

The Edwardian basin design has a refined structure with strong lines and an impressive stance. Available in a range of sizes; 560mm in either a rectangular or a round design, or 610mm, 800mm and 1200mm rectangular basins each available with corresponding pedestals and washstands.

Left: Edwardian 560mm basin, standard pedestal and Birkenhead two tap hole 5" pillar taps and plug and chain basin waste. Standard close-coupled WC with 520mm lever cistern and White soft-close seat.

THE STUNNING LONDON BATH

The double-ended London Round has a simple purity of form that will enhance any style of décor in your home.

London Round soaking tub and Black Kensington bath shower mixer on stand pipes.

Edwardian 800mm basin, traditional bottle trap, chrome washstand and Birkenhead three tap hole basin mixer.

Standard low level WC with 520mm lever cistern, White soft-close seat and WC toilet roll holder.

THE ARCADE COLLECTION

Arcade is a timeless collection and provides the ultimate in luxurious bathroom styling. Arcade's ranges of exquisitely crafted pieces are lovingly hand finished to achieve an iconic Belle Époque appearance. Choose from fixtures and fittings in either chrome or nickel for a truly individual look.

Above: 500mm Cloakroom basin, bottle trap and Mini crosshead basin mixer.

Right: Chrome wall-mounted WC roll holder with brass bar. Open back close-coupled WC, dual flush cistern and Gloss Black soft-close seat. 900mm basin with overflow, chrome bottle trap, chrome stand, three tap hole deck-mounted basin mixer with chrome levers and square swivel mirror.

THE BALTHAZAR BATH

The NEW Balthazar, crafted from ClearStone is a double-ended bath providing an eye-catching centrepiece to your bathroom with its lustrous, glossy interior and stainless steel outer. Also available with pure White outer or intense Black outer. See page 124 for all finishes.

Balthazar bath in ClearStone with stainless steel outer and Kensington bath shower mixer on stand pipes.

FREE-STANDING OR FITTED FURNITURE

Our traditional storage solutions add a sophisticated elegance to your bathroom. Whether you prefer a square or curved design, free-standing or wall-hung options or a fitted furniture solution combining base units such as basin and WC units, full height storage and wall units to fit your designated space.

AVAILABLE FURNITURE COLOURS

1300mm free-standing vanity unit with doors, Minerva copper fleck double vanity bowl with two Chelsea basin mixers and two arched mirrors.

600mm mirrored double door wall unit, 600mm double door wall unit, 300mm single door wall unit, 600mm base unit for semi-recessed basin, semi-recessed 580mm basin, Chelsea basin mixer, 600mm WC unit, wall-hung WC and Matt White soft-close seat. Two Minerva Carrara White 1200mm worktops and joining kit. Towel ring and Trafalgar radiator.

THE VICTORIAN COLLECTION

This versatile basin features a delicate and refined edge with a simplicity that blends beautifully with its surroundings. Available in both 560mm and 610mm sizes with a range of pedestal and washstand options.

Left: 610mm Victorian basin, standard pedestal and Claremont 5" basin taps. Rectangular mirror and Bloomsbury radiator.

Above left: 650mm Natural stone basin, stainless steel basin stand, traditional bottle trap, Claremont basin mixer with pop-up waste and rectangular mirror.

Above right: 610mm Victorian basin, chrome washstand, traditional bottle trap, Claremont basin mixer with pop-up waste and tumbler holder.

Buckingham bath, luxury White arc feet and Claremont deck-mounted bath shower mixer with decorative shrouds. High level WC, White ceramic cistern with oak throne seat. 610mm Victorian basin, standard pedestal, Claremont 5" basin taps, rectangular mirror, Cleaver towel warmer, soap dish and round lights with chrome base and chiffon Silver shades.

560mm Victorian basin, semi-pedestal with towel rail and Claremont 5" basin taps.

580mm Contemporary basin, semi-pedestal and Claremont basin mixer. Triple robe hook, single soap dispenser, ornate lights with chrome bases and tube frosted glass shades and WC roll holder. Wall-hung WC, Sand soft-close seat with concealed cistern and WC brush holder. Arundel bath, plug and chain bath waste with Sand front and end panels and Claremont deck-mounted bath filler.

EDWARDIAN ROUND

The Edwardian round basin combines strength of character with a soft, balanced nature. Available as a 560mm size with either one or two tap holes, it can be paired with pedestals or chrome washstands in standard and regal heights.

560mm Edwardian round basin, chrome washstand and Kensington 5" taps with plug and chain waste. Tumbler holder.

Left: 560mm Edwardian round basin and chrome washstand with Kensington 5" taps, plug and chain waste and tumbler holder. Back-to-wall WC, White soft-close seat, concealed cistern with lever and spare WC roll holder.

Above: Blenheim bath, White arc feet and deck-mounted Kensington bath shower mixer with 'S' adjuster and plug and chain waste.

510mm Classic square basin, chrome washstand and Claremont 3" pillar taps with plug and chain waste and soap dish.

THE CLASSIC COLLECTION

The Classic basin collection features a 510mm square design, which is available with a corresponding cloakroom furniture unit or standard chrome washstand. Our 650mm rectangular basins are available as one, two, or three tap hole options. Pair with pedestals, furniture or on chrome or aluminium washstands. A 650mm round design is also available with one, two or three tap holes and can be paired with a simple, ceramic pedestal.

1340mm White curved free-standing vanity unit, Minerva Carrara marble worktop and Kensington three tap hole basin mixer with pop-up waste. Arched mirror and Burlington round lights with chrome bases and vase clear glass shades. Standard medium level WC, 520mm lever cistern, White soft-close seat and WC roll holder.

Left: 650mm Classic rectangular basin, traditional bottle trap, distressed aluminium washstand and Claremont 5" taps. Distressed aluminium frame mirror.

Above: 1650mm Admiral double-ended bath and Kensington floor-standing bath shower mixer with exposed chrome waste and overflow.

FINISHING TOUCHES

Our range of accessories will provide the finishing touches to ensure your bathroom looks and functions perfectly. From classically styled chrome soap dishes, to ceramic toothbrush holders, every item is traditionally crafted in chrome plated solid brass, to guarantee the balance of functionality and style.

FOR OUR FULL RANGE OF ACCESSORIES SEE PAGE 188

Left: Tumbler holder
Above: Glass shelf with railing

Standard high level WC, dual flush White aluminium cistern and White soft-close seat. 560mm Edwardian round basin, traditional bottle trap, chrome washstand and Claremont 5" taps with plug and chain waste. Hampton 1500mm left-handed bath,

chrome arc feet, bath screen with access panel and Claremont deck-mounted bath filler with plug and chain waste. 1910 Digital shower, 9" airburst shower head and wall arm. Corner basket.

BURLINGTON SHOWERING

Our extensive range of showering options ensures the perfect solution for your bathroom. Whether you are showering over a bath, or in a separate shower, our thermostatic valves have the latest in safe operation. We use the latest and best technology in all our shower mixers for the fastest and safest response. The 1910 digital models are TMV2 approved. For the ultimate in operation, our 1910 digital shower has visual coloured temperature indication and the option of remote control.

Above: Classic 1910 Digital dual outlet shower sets shown with temperature changes.

Right: Black Trent thermostatic dual function brass valve with independent flow diverter and temperature control. Traditional brass faceplate and Claremont handle. Wall outlet and 1500mm shower hose. Adjustable wall bracket and handset with ceramic handle. 390mm adjustable shower arm.

TECHNICAL DIRECTORY

Classic

The Classic collection from Burlington is beautifully formed, available in round or square designs, complete with an invisible waste option.

Edwardian

The Edwardian collection is the ultimate in traditional bathrooms with structured corners and angular designs, the feel is unapologetic and proud.

Victorian

Delicate and refined, the simplicity of this basin is stunning whilst its versatility allows you to continue the style through your home and brings an air of luxury.

Contemporary

As the name suggests, the Contemporary collection is styled on the elegance of past times but with a modern day twist. Simplistic, structured lines form the basis for this striking ceramic collection.

Cloakroom

A choice of traditionally designed cloakroom basins to achieve a consistent look throughout the home.

BASIN OPTIONS

Burlington Regal pedestals are higher than standard pedestals, making them more comfortable for taller people, the elderly or those prone to back pain.

	Standard	Regal
Classic	860mm	920mm
Victorian	840mm	900mm
Edwardian	840mm	900mm
Contemporary	840mm	900mm

WASHSTAND OPTIONS

Our chrome washstands are also available in a Regal height and are compatible with Classic, Edwardian, Victorian, Contemporary, Cloakroom and Georgian basins. With an increased height of 60mm, they provide an ergonomic use for taller people and those who need it.

YEARS
GUARANTEE

WCs

The widest range of traditional WC options to suit your installation and match the exact look you want.

WC OPTIONS

At Burlington we've created a range that's taller than average sanitaryware. Regal WC pans are 60mm higher than the standard option.

At 480mm high the taller WC pan ensures the knee angle remains at approximately 90 degrees whilst in use, which is the correct seating position. The taller WC provides a more comfortable use for taller people and the elderly whilst ensuring your WC is functional as well as beautiful too.

nanoGLAZE
ceramic that stays cleaner

All WCs have a unique stay-clean NANO Glaze coating, creating an ultra-smooth surface, six times smoother than standard ceramic.

WRAS
Water Regulations Advisory Scheme

All Burlington close-coupled WCs are supplied with dual flush WRAS fittings.

4½L (2½L)

All Burlington WC fittings are factory set at 3L and 6L flush. They can be adjusted on site to flush at 2½L and 4½L.

Lever or push button cistern

Available with all Burlington Close-coupled, Low and Mid level WCs. Choose between the classic ceramic flush lever or the more contemporary flush front button.

Lever
52cm Cistern (C1)
44cm Cistern (C3)
52cm Rear Entry Cistern (C30)

Push Button
52cm Cistern (C2)
44cm Cistern (C4)

Feature levers

Our feature cistern levers in Black or New Walnut are the perfect finishing touches and work beautifully with our other feature options such as WC seats, brassware and accessories.

Black Lever
To add a Black Lever please add BLA to end of the code and add £25.

Walnut Lever
To add a Walnut Lever please add WAL to end of the code and add £40.

RIMLESS WCs

Burlington bathrooms are the first traditional bathroom provider to introduce rimless technology to traditionally styled WCs. With the removal of the standard WC rim, this WC choice is exceptionally easy to keep clean. Its powerful flush covers the entire ceramic bowl, making it the most hygienic option. Available with both standard and slimline cisterns for standard height close-coupled, back-to-wall and medium level WCs.

WC ACCESSORIES

nanoGLAZE
ceramic that stays cleaner

A cleaner toilet, by design and with NANO Glaze

We believe that the toilet bowl should still remain as clean as possible even with reduced flushing water and therefore engineer our toilet bowls to maintain the correct water area as previous British Standards and by coating the toilet bowl with NANO Glaze to make them exceptionally easy to keep clean.

SEATS

Our choice of seats includes standard oak or mahogany, white carbamide (also available in a soft-close option), or soft close seats in a range of colours to match your furniture choice, black to pair with black cistern levers and accessories, beech for a classic look or walnut solid wood to match with our New walnut trims. Pair your low, medium or high level WC with our throne seats with ornate brackets.

* If you require a chrome cistern lever and screw covers, order A69 CHR free of charge from your dealer.

ARCADE WCs

A range of beautifully traditional furniture solutions to add classic style and sophisticated British elegance to your bathroom. Choose from free-standing in either square or curved design, wall-hung, cloakroom or fully fitted options to create the most functional space to suit your individual needs.

FURNITURE

FURNITURE WITH INTELLIGENT DESIGN

Our furniture solutions are made from the finest materials and offer innovative features and smart details that not only make them suitable for the bathroom environment but built to last with a 10 year guarantee.

FULLY FITTED FURNITURE

Unlike conventional fitted furniture, our units offer full floor to height storage providing increased space for all your bathroom cosmetics and accessories.

CHOICE OF COLOUR

Four stunning and serene colourways across our entire range which can be carried through the bath panels and WC seats for a consistent and seamless look.

MINERVA BASINS AND WORKTOPS

Minerva basins fit perfectly with your chosen furniture unit. Should you opt for a fitted furniture look, a Minerva worktop can be chosen to fit the length of your furniture units.

5 LAYERS OF PAINT

Each of our furniture pieces are prepared with 5 layers of primer featuring UV stabilisation to minimise colour fading from exposure to sunlight. The painted top coat is then applied for a glorious depth of colour.

ROUTINE CLEANING

Minerva® does not require any specialist cleaning regimes, most dirt and light residue will easily wipe off with a damp cloth and soapy water. The work surface should then be rinsed with clean water and wiped dry. Persistent marks can be removed by using a mild abrasive cleaner, but harsh scouring powders should be avoided.

STAINING

Minerva®, unlike marble and granite, is not porous and will resist most household chemicals including alcohol and cosmetics, however, some chemicals and strong dyes can cause damage and discolouration. If spillage occurs, wipe off immediately and rinse the area thoroughly.

TAP HOLES

Minerva® worktops are supplied with an integrated bowl with overflow, and no tap holes. Tap holes are drilled by the installer in the required position and configuration. A template is provided with the Minerva® tops indicating tap hole positions and sizes.

MINOR SCRATCHING

Scratches to the work surface will be more evident on darker colours. Any minor scratches can be removed using a woven abrasive pad and other items in the care kit.

MINERVA® CARE KIT

To restore your Minerva® work top to its original best use the Care Kit to buff out all tiny scratches and scuffs. The kit contains all the sanding / buffing materials and liquids required.

CRAFTED SPECIFICALLY FOR BATHROOMS

The plinths of the free-standing furniture are crafted from a waterproof high density material - providing extra protection and giving peace of mind that wet floors will not lead to damage.

DIMENSIONS & TECHNICAL DRAWINGS

Dimensional drawings and technical details are shown at burlingtonbathrooms.com/furniture

MINERVA WORKTOPS

Minerva worktops offer superior strength with a beautiful finish. Available from stock in either pristine White, elegant Carrara White or opulent Black Granite. Why not choose from our other 11 unique decor options, available to order with longer custom delivery times for the ultimate personalised look. Please ask your retailer for details on the price of the 11 additional finishes.

PAINT YOUR OWN

Should you wish, our Matt White furniture is supplied ready for you to paint, so you can transform your entire bathroom into your individual colour scheme. We've chosen some Farrow & Ball colours as suggestions displayed below. We recommend using a water based primer before an egg shell paint finish for the best effect.

BATHS

Beautiful free-standing baths in a range of designs crafted with either TSFR (twin skinned fibre re-inforced acrylic) for superior strength or ClearStone for the epitome of luxury. Choose from soaking tubs, elegant roll top baths with a choice of feet in six styles and three colours or our double-ended or showering baths for flexibility of use.

STAND PIPES

The Albany is not suitable for rim-mounted taps. Instead, pair elegant bath shower mixers with stand pipes (water runs through the pipes) in either matching chrome or nickel to add an air of luxury to your bathroom.

Floor-mounted exposed water pipes with support bar

Nickel: ARCW7 NKL £499
Chrome: ARCW7 CHR £350

BRASSWARE

Burlington brassware can be customised with a choice of 4 tap heads; Claremont, Birkenhead, Anglesey and Kensington. In addition, Burlington is the first British Traditional designed range that enables water savings despite varying water pressures. We supply every tap with two Neoperl devices: A flow straightener, which is for use with low water pressures and an aerator, which is for use with high water pressures.

Normal tap

Water flow in a normal traditional tap.

Low pressure

Low pressure water flow with a Burlington tap using a flow straightener.

High pressure

High pressure water flow with a Burlington tap using an aerator.

Our taps are designed to deliver the following maximum flows of water, regardless of the incoming water pressure:

- Basin taps: 13L per minute
- Bath tap: 14L per minute
- Bath shower mixer: 22L per minute

Swivelling spouts

All our bath fillers and bath shower mixer spouts swivel - so you don't have the spout in your way when you shower.

Angled mixers

All our bath fillers and bath shower mixers are available in an 'angled' version.

S adjuster

The S adjuster allows the telephone handset to be positioned over the bath. The bath shower mixer can be installed with or without the 'S adjuster'.

BURLINGTON TAP OPTIONS

Each of the tap heads are available with Black ceramic indices as opposed to White.

Claremont

Anglesey

Birkenhead

Kensington

Kensington

Our Kensington tap is now available in Walnut. See page 146 for more details.

CLAREMONT BIRKENHEAD ANGLESEY KENSINGTON

SHOWERING

The Burlington range of showers provides extensive options for you to create a showering solution for your own bespoke setting. Whether you prefer showering over a bath or within an enclosure, our range of thermostatic valves offer safe and controllable showering for the entire family. Digital showering with Classic 1910 styling provide the ultimate showering experience with visual temperature control and the option of remote control. Partner either with a wide range of enclosure styles from hinged or sliding doors to quadrant enclosures, each with corresponding trays with superior strength, the best grade in non-slip technology and an anti-bacterial coating as standard.

THERMOSTATIC SHOWERING

Within the valve there is an automatic adjuster which maintains temperature by adjusting the flow of each supply. This is useful in guarding against the possibility of scalding. If for instance, someone flushes a WC whilst you are showering, the flow of hot water will immediately be closed down to compensate for the reduced cold water flow.

SHOWER HEAD HEIGHT

The standard riser pipe (V21) has a length of 856mm.

To increase the height of your shower head use the extended riser (V22) which has a length of 1814mm increasing the height by 958mm.

To order the extended riser simply add .EXT to the product code. For example BSF1S changes to BSF1S.EXT

Please see the burlingtonbathrooms.com for details.

ONE WAY WATER

Our non-return valves ensure the flow of water in only one direction, ensuring heating efficiency, preventing siphonage of contaminated water and keeping your shower cartridge in excellent condition for longer.

AIRBURST SHOWER HEADS

By combining air and water, the pressure inside the shower head is increased. The power of a traditional shower head with up to 33% water saved.

NEW BLACK OPTION

New Black lever and handle options are now available for all Eden, Tay, Trent shower valves and Avon dual function valves.

CLASSIC 1910

Create the ultimate showering experience with the innovative Classic 1910 digital kits. With precise temperature technology and high-quality design, the Digital shower makes safety, simplicity and sophistication integral to your everyday routine.

Consistent temperature

A built-in thermistor checks the temperature 10 times every second so that, even when someone is using water elsewhere in the house, the water temperature will stay exactly the same.

Automatic shut off

If there are any problems with your water supply, the shower will shut off immediately. This provides peace of mind that your family is fully protected from hot water scalding, or the discomfort of an unexpected cold shower.

Remote control (optional)

Fit an optional remote control anywhere outside of the shower enclosure and within 10 metres of the digital shower. Simply press the button to turn the shower on or off, or press and hold for 1.5 seconds to divert the water flow between showerheads, or bath and shower.

Cleaning mode

While the shower is off, set the temperature to midway between hot and cold, then press and hold the dial for 5 seconds. The light on the controller will come on to show you it's locked, then after one minute it will automatically unlock.

Quiet pump

For low-pressure installations the digital shower features an ultra quiet, integrated brushless motor, boosting performance to allow high-pressure showering with minimum noise.

Cool-touch metal controls

Shower controls are kept completely separate from the water in the valve, which means they always stay cool and safe to touch.

Precise temperature

Sophisticated technology gives you accurate control of the water temperature.

Temperature override

Each digital processor has a pre-set maximum temperature of 41°C, which can be overridden and adjusted to 46°C. As bath temperatures are usually higher, when you divert to the bath outlet the maximum temperature will automatically rise to 44°C.

Colour-changing controls

The controls gently pulse white as the water reaches your set temperature, while a subtle, white glow lets you know the shower's ready. When you adjust the temperature the controls flash red or blue as the water heats up or cools down.

Easy divert

Divert the flow quickly and easily with just a few touches. Press the lower control once to divert from the main showerhead to the second, and again to run both at once. On the dual bath and shower, press once to switch to showerhead, and a second time to return to bath flow.

CLASSIC 1910 DIGITAL KIT OPTIONS

Our selection of product options enables you to create a showering experience individual to you and your home. Choose between single and dual shower and bath fill controls then combine with stunning fixtures to achieve your ideal look. Introduce a final touch of elegance with the digital remote, a unique additional control that allows you to smoothly turn on the water and divert the flow before you even enter the shower.

ARCADE SHOWER VALVES

SHOWER VALVES

Shower valve, shower arm and shower head packs

Nickel with 9" shower head
ARC73 + ARCV17 NKL £768

Nickel with 12" shower head
ARC73 + ARCV60 NKL £878

Shower valve, shower arm, shower head, rail, handset and hose packs

Nickel with 9" shower head
ARC64 + ARCV17 NKL £1,268

Nickel with 12" shower head
ARC64 + ARCV60 NKL £1,378

Arcade Avon exposed thermostatic shower valve, standard vertical riser, straight shower arm for vertical riser mounting, 9 inch shower rose, soap basket for vertical riser, telephone handset & hose packs

Nickel with 9" shower head
ARC74 + ARCV17 NKL £1,287

Nickel with 12" shower head
ARC74 + ARCV60 NKL £1,397

Matt black ceramic levers are now available for arcade shower valves, order separately ARC68 £15

ANTI LIMESCALE

Our shower heads are not only powerful with air burst technology but also are manufactured from quality materials, minimising potential limescale effects and enabling extended lifetimes.

SHOWER VALVES

Shower valve, shower arm and shower head packs

Chrome with 9" shower head
ARC73 CHR + ARCV17 CHR £598

Chrome with 12" shower head
ARC73 CHR + ARCV60 CHR £648

Shower valve, shower arm, shower head, rail, handset and hose packs

Chrome with 9" shower head
ARC64 CHR + ARCV17 CHR £1,198

Chrome with 12" shower head

Arcade Avon exposed thermostatic shower valve, standard vertical riser, straight shower arm for vertical riser mounting, 9 inch shower rose, soap basket for vertical riser, telephone handset & hose packs

Chrome with 9" shower head
BARC74 CHR + ARCV17 CHR £1,068

Chrome with 12" shower head
BARC74 CHR + ARCV60 CHR £1,118

OPTIONAL EXTRAS

Spout

Nickel: ARCV32 NKL £119
Chrome: ARCV32 CHR £65

Diverter for handset

Nickel: ARCV31 NKL £149

Adjustable shower handset bracket

Chrome: ARCV34 CHR £99
Nickel: ARCV34 NKL £99

Soap basket for vertical riser

Nickel: ARCV23 NKL £119
Chrome: ARCV23 CHR £49

Long riser rail

Nickel: ARCV22 NKL £279
Chrome: ARCV22 CHR £139

Matt black ceramic levers are now available for arcade shower valves, order separately ARC68 £15

CERAMIC DISC TECHNOLOGY

All Burlington shower valves offer ceramic disc technology so just one quarter turn and the shower will turn off straight away, preventing the frustrating dripping sound expected from usual traditional styled shower valves.

ACCESSORIES, RADIATORS & LIGHTS

Both Burlington and Arcade bathrooms offer a range of accessories, radiators, mirrors and lights for the perfect finishing touch to your traditionally styled bathroom.

BURLINGTON ACCESSORIES

Continue luxury styling throughout your classic themed bathroom with a range of accessories combining chrome plated solid brass or New Walnut with White or Black ceramic so your bathroom not only looks beautifully traditional but is effortlessly functional too.

· NEW ·

Accessory back plate

W: 30 L: 60 H: 60
Code: G13 WAL £19

Walnut accessory backplate - For a high end look or to compliment other walnut options in your bathroom order a G13 WAL and replace your Chrome back plate with a Walnut back plate. See above for examples of accessories with the Walnut backplate. (Compatible with most Burlington accessories - check with your retailer).

· NEW ·

Burlington radiators offer a broad range of various styles, with the recent addition of two black radiators.

There are options here to complement your traditional bathroom beautifully. All Burlington radiators except the Strand (R11 CHR) are designed to work with the extra fitting of an electric summer heating kit, allowing warm towels all year round.
